The diagram shows a symmetrical floor plan of a building. The central area is labeled "repeated pattern". The plan is divided into four quadrants by a central horizontal and vertical corridor. The top-left quadrant contains a "Library" and a "Reading Room". The top-right quadrant contains a "Reading Room" and a "Library". The bottom-left quadrant contains a "Reading Room" and a "Library". The bottom-right quadrant contains a "Reading Room" and a "Library". The building has a complex, multi-lobed footprint with various rooms and corridors.
